I am the passenger	And everything was made for you and me
And I ride and I ride	All of it was made for you and me
I ride (1) the city's backsides	'Cause it just belongs to you and me
I see the stars come out of the sky	So let's take a ride
Yeah the bright and hollow sky	And see what's mine
You know it looks so good tonight	And sing
I am the passenger	(La la la la la la la)
I stay under glass	(La la la la la la la)
I look through my window so bright	(La la la la la la la)
I see the stars come out tonight	(La la)
I see the bright and hollow sky	(Oh) the passenger
Over the city's ripped backsides	He rides and he rides
And everything looks (2) tonight	He sees things from under glass
Let's (3) (la la la la la la la la)	He looks through his (7) s
(La la la la la la la)	He sees the things he knows are his
(La la la la la la la)	He sees the bright and hollow sky
(La la)	He sees the (8) sleep at night
Get into the car	He (9) the stars are out tonight
