Let's Do The Things We Normally Do by Dido

Let's pretend that we'll be here tomorrow	Let's do the things we normally do
And I'll try for you to be a little more on time	I'll say see you (9) you'll sing a line or two
I (1) you need to say you know you've let me down	From your rebel songs sung out of tune
But you haven't and it's hard to talk	Don't hold my hand for longer than you need to
With people all around	Don't (10) me in the eye more than you need to
Please don't say how proud you are	Don't try to say goodbye if I don't want to
Let's do the things we normally do	Don't say how proud you are
I'll say see you later	And say I'm far away
You'll sing a line or two	And take along your live
From your rebel songs sung out of tune	And say a word
Don't hold my hand for (2) (3) you	And I can say I fade away
(4) to	And later
	We're so ok
Let's forget (5) we're here and make some plans	Alone
We'll go for walks	And stay
Sit will go on the bench we always sat	Cold
I'll tell you every little detail	And say "I'm fine"
Of my day and so will you	And there
But don't try to stay awake	Alone you are
I'm (6) tired too	Alone
This is just another day	And say "you're fine"
Let's do the things we normally do	(Ooh)
I'll say see you later you'll (7) a line or two	And say ok
From your rebel songs sung out of tune	(Ooh)
Don't hold my hand for longer than you need to	And stay ok
Armored (8) and tanks and guns	(Ooh)
Came to take away our sons	Alone you stay
And everybody's stood behind	Alone
The man behind the wire	
There's a fight to love	
A fight to have	
Your bed's a battlefield and back
