Let's Do The Things We Normally Do by Dido

Let's pretend that we'll be here tomorrow	Let's do the (17) we normally do
And I'll try for you to be a (1) more on time	I'll say see you later you'll sing a (18) or two
I know you (2) to say you (3) you've let	From (19) (20) songs sung out of
me down	tune
But you haven't and it's hard to talk	Don't (21) my hand for (22) than
With people all around	you need to
Please don't say how proud you are	Don't look me in the eye more than you need to
Let's do the things we normally do	Don't try to say goodbye if I don't want to
I'll say see you later	Don't say how proud you are
You'll (4) a line or two	And say (23) far away
From your (5) songs sung out of tune	And take (24) your live
Don't hold my hand for longer than you need to	And say a word
	And I can say I fade away
Let's forget (6) we're here and make some plans	And later
We'll go for walks	We're so ok
Sit will go on the bench we always sat	Alone
I'll tell you (7) little detail	And stay
Of my day and so will you	Cold
But don't try to stay awake	And say "I'm fine"
I'm feeling (8) too	And there
This is just another day	Alone you are
Let's do the things we normally do	Alone
I'll say see you (9) you'll sing a (10)	And say "you're fine"
or two	(Ooh)
From (11) rebel songs sung out of tune	And say ok
Don't (12) my (13) for longer than you	(Ooh)
need to	And (25) ok
Armored cars and (14) and guns	(Ooh)
Came to take away our sons	Alone you stay
And (15) stood behind	Alone
The man behind the wire	
There's a fight to love	
A fight to have	
Your bed's a battlefield and back	
And all of this will (16) be stripped away	

SUB inglés

- 1. little
- 2. need
