

Fill in the gaps

All along it was a fever			
A cold sweat hot-headed believer			
I (1) my hands in the air			
Said show me something			
He said, if you dare come a little closer			
Round and around and around we go			
(Oh oh) now (2) me now, tell me now			
Tell me now you know			
Not really sure how to feel about it			
Something in the way you move			
Makes me feel like I can't live without you			
It takes me all the way			
I want you to stay			
It's not much of a life you're living			
It's not just something you take			
It's given			
Round and around and (3) we go			
(Oh oh) now tell me now, tell me now			
Tell me now you know			
Not really sure how to feel about it			

Something in the way you	u move		
Makes me feel like I can't live without you			
It takes me all the way			
I (4) you to sta	ay		
(Oooh) the (5)	I (6)	or	
(Oooh) 'cause I need this hole gone			
Funny all the broken ones	3		
But I'm the only one who needed saving			
'Cause when you (7)	see the light	t	
It's hard to know which one of us is caving			
Not really (8) I	now to feel about it		
Something in the way you move			
Makes me feel like I can't live without you			
It takes me all the way			
I want you to stay			
Stay			
I (9) you to sta	ay		
(Oooh)
