

Fill in the gaps

I used to be so fearless so limitless and free	I wouldn't see the worst and it only (10)	me
Happy on my own and nothing really bothered me	I love to be alive but I was not afraid to die	
I had desires to see the world, jump out of planes and fly		
And I (1) to be alive but I was not	I've got everything to lose	
(2) to die		
	Since I've met you	
I used to be so sure of things and self-contained	I've got everything to lose	
I could carry on with no need to explain	(Since I've met you)	
It didn't matter if I ever made it home		
Could go too fast, and drink all (3) and dance	I've got everything to lose	
alone		
	Since I've met you	
I (4) to be (5) but I was not afraid to		
die	I've got everything to lose	
I love to be (6) but I was not afraid to die	Since I've met you	
	I've got everything to lose	
I've got everything to lose		
I (7) to be so thoughtless, so easy and free		
Could walk away, not (8) ahead		
And had no (9) to keep		
No hand to told, no one to bring down with me
