

Fill in the gaps

I used to be so fearless so (1) and	I wouldn't see the worst and it only hurts me
free	I love to be alive but I was not afraid to die
Happy on my own and nothing really bothered me	
I had desires to see the world, jump out of (2)	I've got everything to lose
and fly	
And I love to be alive but I was not afraid to die	Since I've met you
	I've got everything to lose
I used to be so (3) of things and self-contained	(Since I've met you)
I could carry on with no (4) to explain	•••
It didn't matter if I ever made it home	I've got everything to lose
Could go too fast, and drink all night and (5)	•••
alone	Since I've met you
I love to be alive but I was not afraid to die	I've got everything to lose
	•••
I love to be (6) but I was not afraid to die	Since I've met you
	I've got everything to lose
I've got everything to lose	
I (7) to be so thoughtless, so (8) and	
free	
Could walk away, not think ahead	
And had no plans to keep	
No hand to told, no one to (9) (10)	
with me
