S.O.S. she's in disguise
S.O.S. she's in disguise
There's a she wolf in disguise
Coming out, coming out
A domesticated (1) that's all you ask of me
Darling it is no joke, (2) is lycanthropy
The moon's awake now
With eyes wide open
My body's craving
So feed the hungry
I've been devoting myself to you Monday to Monday
And Friday to Friday
Not getting enough retribution
Or decent incentives to keep me at it
I'm starting to feel just a little abused
Like a coffee machine in an office
So I'm (3) go somewhere cozy to get me a lover
And tell you all about it
There's a she wolf in your closet
Open up and set her free
There's a she wolf in your closet
Let it out so it can breathe
Sitting across a bar, staring right at her prey
It's (4) well so far, she's gonna get her way
Nocturnal creatures
