Satellite by Lena Meyer-Landrut

Fill in the gaps

I went (1)	for you	And I would fall out into the night	
I even did my hair for you		Can't go a minute (6)	your love
I bought new underwear, they're blue		Oh, love, I gotta tell you how I feel about you	
And I wore 'em just the other day		'Cause I, oh, I can't go a minute without your love	
Love, you know I'll fight for you		Where you go, I'll follow	
I left on the (2) light for you		You set the pace, we'll take it fast and slow	
Whether you are sweet or cruel	I	l'll (7) in your way	
I'm gonna love you either way		You got me, you got me	
Love, oh, love, I gotta tell you how I feel about you		A force more powerful than gravity	
'Cause I, oh, I can't go a minute without your love		It's physics, there's no escape	
Like a satellite, I'm in an (3)_	all the way around	Love, my aim is straight and true	
you		Cupid's arrow is just for you	
And I would fall out into the night		I even painted my toe nails for you	
Can't go a minute without your love		I did it just the other day	
Love, I got it bad for you		Love, oh, love, I gotta tell you how I feel	(8) you
I saved the best I have for you		'Cause I, oh, I can't go a minute without (9) love	
You sometimes make me sad and blue		Like a satellite I'm in orbit all the way around you	
Wouldn't (4) it any	(5) way	And I would fall out into the night	
Love, my aim is straight and true		Can't go a minute without your	
Cupid's arrow is just for you		Love, oh, love, I gotta (10)	you how I feel about
I even painted my toe nails for you		you	
I did it just the other day		'Cause I, oh, I can't go a minute without your love	
Love, oh, love, I gotta tell you how I feel about you		(Love, love, love, love)	
'Cause I, oh, I can't go a minute without your love			
Like a satellite I'm in an orbit all	I the way around you
