

## Fill in the gaps

Satellite by Lena Meyer-Landrut

I went everywhere for you  
I even did my hair for you  
I bought new underwear, they're blue  
And I wore 'em just the other day  
Love, you know I'll fight for you  
I left on the porch light for you  
Whether you are sweet or cruel  
I'm gonna love you either way  
Love, oh, love, I gotta tell you how I feel (1)\_\_\_\_\_ you  
'Cause I, oh, I can't go a minute (2)\_\_\_\_\_  
(3)\_\_\_\_\_ love  
Like a satellite, (4)\_\_\_\_\_ in an orbit all the way around  
you  
And I would fall out into the night  
Can't go a minute without your love  
Love, I got it bad for you  
I saved the best I have for you  
You sometimes make me sad and blue  
Wouldn't have it any other way  
Love, my aim is straight and true  
Cupid's arrow is just for you  
I even painted my toe nails for you  
I did it just the other day  
Love, oh, love, I gotta tell you how I feel about you  
'Cause I, oh, I (5)\_\_\_\_\_ go a minute without your  
love  
Like a satellite I'm in an (6)\_\_\_\_\_ all the way around  
you

And I would fall out into the night  
Can't go a minute without your love  
Oh, love, I gotta tell you how I feel about you  
'Cause I, oh, I can't go a minute (7)\_\_\_\_\_ your  
love  
Where you go, I'll follow  
You set the pace, (8)\_\_\_\_\_ take it fast and slow  
I'll follow in your way  
You got me, you got me  
A force more powerful than gravity  
It's physics, there's no escape  
Love, my aim is straight and true  
Cupid's arrow is just for you  
I even painted my toe nails for you  
I did it just the other day  
Love, oh, love, I gotta tell you how I feel about you  
'Cause I, oh, I can't go a minute without your love  
Like a satellite I'm in orbit all the way (9)\_\_\_\_\_ you  
And I (10)\_\_\_\_\_ fall out into the night  
Can't go a minute without your  
Love, oh, love, I gotta tell you how I feel about you  
'Cause I, oh, I can't go a minute without your love  
(Love, love, love, love, love...)

Answer

1. about
2. without
3. your
4. I'm
5. can't
6. orbit
7. without
8. we'll
9. around
10. would
