

## Fill in the gaps

## Earthquake by Labrinth & Tinie Tempah

Labrinth, come in		'Cause we throw bombs on it, (13)
Labrinth, come in		(14) on it
Labrinth, come in		Let's (15) something, yeah mosh for it
Ladies and gentleman, this is something they call		Hey yeah
A ground-breaker (breaker, breaker)		We can make an earthquake up in here
So let me (1) apologize		I predict an (16) up in here
To the shirts and the ties		Say yeah
For your make up (make up, make up)		I (17) an earthquake up in here
'Cause I (2) you ugly		'Cause we throw bombs on it, throw bombs on it
As (3) as it drops		Yes, smash something, yes, mosh for it
We're on a rampage		Hey yes
Bottles (4) off		We can make an earthquake up in here
Before you know it		So (18) we go, we go
There's rubble and dust		Hey, yo Labrinth
Cause we be crashing it up		This one's feeling
Somebody say (you better run)		Like a (19) ten on the Richter scale, you
Yeah		know
predict an (5) up in here		Yeah
Say yeah		Fire, fire
I (6) an earthquake up in here		We about to set this place on fire
Cause we throw (7) on it, throw (8)		Without a match or lighter, don't do girlfriends
on it		One nighters make them
Let's smash something, yeah mosh for it		C-minor, if I want Christian or Kurt Geiger
Hey yeah		I (20) phone up the designer
We can make an earthquake up in here		Doing all-nighters
Ladies and gentleman		No days off, grey hairs and a little bit of weight loss
What you're about to witness		I (21) riots
It's no illusion		I predict chaos
And now		I predict people
We got the bass banging		I predict
From head to Buckingham Palace		Disturbing London, got the whole city panicking
They're all moving		I'll be Nostradamus, this my L-L-L-Labrinth
Hey Simon, we're * them up		Yeah
Turning them Syco		I predict an (22) up in here
Everybody rock		Say yeah
Let's bring the house down		I predict an (23) up in here
To rubble and dust		'Cause we throw (24) on it, (25)
Cause we be (9)	it up	bombs on it
Somebody say (you (10)	run)	Let's smash something, yeah mosh for it
Yeah		Hey yeah
I predict an (11)	up in here	We can make an earthquake up in here
Say yeah		(So (26) we go, we go)
predict an (12)	up in here	Come in
