

When I look back upon my life

Fill in the gaps

It's a sin

It's always with a sense of shame		Father, forgive me	
I've always been the one to blam	e	I (3) not to do it	
For everything I long to do		Turned over a new leaf	
No matter when or where or who		Then tore right through it	
Has one (1) in common too		Whatever you (4) me	
It's a, it's a, it's a		I didn't believe it	
It's a sin		Father, you fought me	
It's a sin		'cause I didn't care and I (5) don't understand	
Everything I've ever done		So I look back upon my life	
Everything I ever do		Forever with a (6)	of shame
Every place I've ever been		I've always been the one to blame	
Everywhere I'm going to		For (7)	I long to do
It's a sin		No matter when or where or who	
At school they taught me how to be		Has one thing in common too	
So pure in thought and word and deed		It's a, it's a, it's a	
They didn't quite succeed		It's a sin	
For (2)	I long to do	It's a sin	
No matter when or where or who		Everything I've ever done	
Has one thing in common too		Everything I ever do	
It's a, it's a, it's a		Every (8) I've	e (9) been
It's a sin		Everywhere I'm going to	
It's a sin		It's a sin	
Everything I've ever done		It's a, it's a, it's a	
Everything I ever do		(It's a sin)	
Every place I've ever been			
Everywhere I'm going to
