

## Pandemonium by Pet Shop Boys

Is this a riot or are you just pleased to see me
Why aren't we holding hands and (1)
sweets
I (2) you really though I know no one believes me
There's chaos every time we meet
Oh no, look what you've (3) and done
You're creating pandemonium
That song you sing means everything
To me
I'm living in ecstasy
The stars and the sun
Dance to your drum
And now
It's pandemonium
You're crashing everywhere
It's (4) you're smashing china
Skidding on an icy road
You're major trouble (5) you were almost a
minor
I sometimes think we'll (6) explode
Oh no, look what you've gone and done
You're creating pandemonium
That song you sing means everything
To me
I'm living in ecstasy
My world's gone mad, what did you do

Telling perfect strangers (7)\_\_\_\_\_ I love you

The stars and the sun

Dance to your drum And now It's pandemonium I can't make sense of anything All I know is the party's in full swing If we both just stopped for a minute I declare war and then you'd win it To (8)\_\_\_\_\_ you the truth I thought I was shockproof Until I saw what you get up to When you think (9)\_\_\_\_\_ it, it's quite an achievement That after all I still love you Oh no, look what you've gone and done You're creating pandemonium That song you sing means everything

I'm living in ecstasy

My world's gone mad, what did you do Telling perfect strangers that I love you

Fill in the gaps
