My friends (1) get me higher and higher	You can hang it up, and you can hang it up
They're killing me with friendly fire	This time maybe you can hang it up
We meet beneath the (2) tree	You can hang it up, and you can hang it up
They're walking us by, (3) stay for me	This (15) maybe you can hang it up
My friends ain't got to (4) more	Should (16) been a lawyer, take while you can
They meet (5) the corner store	Never been (17) since time began
And walk the pavement, miss the cracks	It's getting heavy, I'm a body full of bad bones
'd join them if I could relax	Buried in the (18) yard, cover me in (19)
_ook for a trick (6) you aint got a thing	stones
Live like a hermit if you (7) be king	You got the time, (20) all can wait
People say it is not worth the wait	You wanna (21) talking, cuz it's not too late
Everybody loves somebody to hate	Aquarium, staring 'em
'm not gonna go and rush this (8) my veins	Everybody loves (22) to hate
Blow them up	Break it, make it, you can make the break
While looking for this again	Back and forth (23) just (24)
Punk rock ain't in division	great
Send all the mocked kings to prison	Intake, no fake, don't wanna let go
wanna write about (9) something free	Make all the changes that you need to make
All the changes drives us back to sea	Stand back, give it up, ain't life a bitch
And this is all about starting out again	No war making, you just do that
Same old, same old, never stay the same	Guess, guess that's the fame you maintain
My friends one by one get a job	Time for you to rearrange
Meet boys in cars and get a dog	And you can hang it up, and you can hang it up
Throw parties, we sit on the ground	This time baby you can hang it up
'd rather (10) just let me down	You can (25) it up, and you can (26)
People say is not worth the wait	up
Everybody (11) somebody to hate	This time baby you can hang it up
And you can hang it up, and you can hang it up	You can hang it up, and you can (27) it up
This time (12) you can (13) it up	This time baby you can hang it up
You can (14) it up, and you can hang it up	You can hang it up, and you can hang it up
This time maybe you can hang it up	This time baby you can hang it up
