

Then we go back to the sound

## Fill in the gaps

## Just One Last Time by David Guetta & Taped Rai

This is the end, Sasha	And I (7) (8) I'm supposed to do
But I can't (1) away (2) you	To get myself away from you
This is the edge of patience	(Oh) you drain my soul and
But you'll prove yourself to me	Even though it hurts I can't slow down
Still you drain my soul and	Walls are closing in and I hit the ground
Even though it hurts I can't (3) down	With "there's no tomorrow" echo in my mind
Walls are closing in and I hit the ground	Just one (9) time
With "there's no tomorrow" echo in my mind	Even (10) it hurts I can't slow down
Just one (4) time	Walls are closing in and I hit the ground
Even though it hurts I can't slow down	With "there's no tomorrow" echo in my mind
Walls are closing in and I hit the ground	Just one last time
With "there's no tomorrow" echo in my mind	Just one last time
Just one last time	Just one last time
Just one last time	Just one last time
Just one (5) time	This is the end, Sasha
Just one last time	But I can't move away from you
There (6) for us too bad	

- 1. move
- 2. from
- 3. slow
- 4. last
- 5. last
- 6. comes
- 7. know
- 8. what
- 9. last
- 10. though
