

Euphoria

Fill in the gaps

Why?	Forever 'til the end of time
Why can't this moment (1) forevermore?	From now on, only you and I
Tonight	We're (5) up
Tonight eternity's an open door	Euphoria
No, I don't ever stop (2) the things you do	An everlasting piece of art
Don't go	A beating love within my heart
In every breath I take I'm breathing you	We're (6) up
Euphoria	Forever
Forever 'til the end of time	We sail into infinity
From now on, only you and I	We're higher
We're going up	We're reaching for divinity
Euphoria	Euphoria
An everlasting piece of art	Euphoria
A beating love (3) my heart	We're going up
We're (4) up	Euphoria
We are here	An (7) piece of art
We're all alone in our own universe	A beating love (8) my heart
We are free	We're going up
Where everything's allowed and love comes first	Euphoria
Forever and ever together	Euphoria
We sail into infinity	We're going up
We're higher and higher and higher	
We're reaching for divinity
