## Don't You Want Me by The Human League

You were working as a (1) in a cocktail	Either with or without you
bar	The five years we have had have been such good times
When I met you	I still love you
I picked you out, I shook you up and turned you around	But now I (7) it's (8) I live my life on
Turned you (2) someone new	my own
Now five years later on you've got the world at your feet	I guess it's just what I must do
Success has (3) so (4) for you	Don't
But don't forget it's me who put you where you are now	Don't you want me
And I can put you back down too	You know I can't (9) it
Don't	When I hear that you won't see me
Don't you want me	Don't
You know I can't believe it	Don't you (10) me
When I hear that you won't see me	You know I don't believe you
Don't	When you say that you don't need me
Don't you want me	It's much too late to find
You know I don't believe you	You think you've changed your mind
When you say that you don't need me	You'd better change it back or we will both be sorry
It's much too late to find	Don't you want me baby
You (5) you've changed your mind	Don't you want me, oh
You'd better change it back or we will both be sorry	Don't you want me baby
Don't you want me baby	Don't you want me, oh
Don't you want me, oh	Don't you want me baby
Don't you want me baby	Don't you want me, oh
Don't you want me, oh	Don't you want me baby
I was working as a waitress in a cocktail bar	Don't you want me, oh
That much is true	
But (6) then I knew I'd find a much better place
