

Fill in the gaps

what will it be like when I get old	They say Hey act your age:
Will I (1) hop on my bike	And I'm "immature"
And (2) around town	Will I do (11) proud
Will I still (3) to be someone	Or (12) what's allowed
And not (4) sit around	What (13) it be like (14) I get
I don't (5) be like (6) adults	What will I be like when I get
'Cause they've (7) died	What will it be (15) (16) I get old
Cool and condescending	Will I sit around
Fossilized	And talk about the old days
Will I be rich	Sit around and watch T.V.
Will I be poor	I never wanna go that way
Will I still sleep on the floor	Never (17) out
What will it be like when I get	Not fade away
What will I be like (8) I get	As I (18) through my time
What will it be (9) when I get old	Will I like what I find
Will I still kiss my girlfriend	What (19) it be (20) (21)
And try to grab her ass	get
Will I still hate the cops	What (22) I be like (23) I get
And have no class	What will it be like
Will all my grown up (10) say	When I get old
They've seen it all before
