Just Before Goodbye by Nina Nesbitt

A piece of shattered glass

Fill in the gaps

You got new jeans 'Cause something so beautiful The hood is not gone Can fall apart so fast I'm in the new dress that I've never worn Don't you understand And I could have sworn Just before goodbye You didn't bat an eye when I walked You had the chance to change your mind Into the room and I first thought Just before you lied saying You could be the one You gave this your best try Have we been seeing the world through It's not enough to try A piece of shattered glass You have to give your blood and tears and time Something so beautiful can fall apart so fast Take the (8)_____ of hurt inside Just before goodbye You had one last chance to change your mind You had the chance to change your mind Just before goodbye Just before you lied saying Just before goodbye You gave this your best try You had the chance to change your mind It's not (1)_____ to try And just before you lied saying You have to give your blood and tears and time You gave this your best try You had one (2)_____ chance to (3)_ It's not enough to try your mind You (9)_____ to give your blood and tears and time ____ goodbye Take the (10)_____ of hurt inside Just (4)_ Curtains are drawn but we're still dressed You had one last chance to change your mind ____ my bed The film plays on right (5)_ Just before goodbye ____ is left now Before goodbye But you ignore, pretend that we're fine Before goodbye We're not together, half of the time I would have known the signs Have we been (7)_____ the world through
