### Fill in the gaps

You got new jeans		'Cause something
The hood is not gone		Can fall apart so
I'm in the new dress (1) I've	never worn	Don't you underst
And I could (2) sworn		Just before good
You didn't bat an eye (3) I w	valked	You had the (18)
Into the room and I first thought		Just before you li
You could be the one		You (19)
Have we been (4) the v	world through	It's not enough to
A piece of shattered glass		You have to (20)
Something so (5)	_ can fall apart so fast	Take the world of
Just (6) goodbye		You had one last
You had the (7) to char	nge your mind	Just before good
Just before you (8) saying		Just (21)
You (9) this (10)	best try	You had the char
It's not (11) to try		And just before ye
You have to give your (12)	and tears and time	You gave this you
You had one last (13) t	to change your mind	It's not enough to
Just before goodbye		You (25)
Curtains are drawn but we're still dressed		Take the world of
The film plays on right under my bed		You had one last
I ask what is left now		Just before good
But you ignore, pretend that we're fine		Before goodbye
We're not together, half of the time		Before goodbye
I would have (14) the sign	าร	
Have we been (15)	the (16)	
through		
A piece of (17)	alass	

'Cause something so beautiful		
Can fall apart so fast		
Don't you understand		
Just before goodbye		
You had the (18) to change your mind		
Just before you lied saying		
You (19) this your best try		
It's not enough to try		
You have to (20) your blood and tears and time		
Take the world of hurt inside		
You had one last chance to change your mind		
Just before goodbye		
Just (21) goodbye		
You had the chance to change (22) mind		
And just before you (23) saying		
You gave this your (24) try		
It's not enough to try		
You (25) to give your blood and tears and time		
Take the world of hurt inside		
You had one last (26) to change your mind		
Just before goodbye		
Before goodbye		
Before goodbye
