

I'll be there by your side

Fill in the gaps

So I (1) in (2) direction	Just you try and stop me
But you pay me no attention, do you?	I'll be waiting in line
I (3) you don't listen to me	Just to see if you care
'Cause you say you see (4) through me	If you care
Don't you?	(Oh)
And on and on	Did you want me to change?
From the moment I wake	Well I changed for good
To the moment I sleep	And I want you to know
I'll be there by (5) side	That you'll always get your way
Just you try and stop me	I wanted to say
I'll be waiting in line	Don't you shiver
Just to see if you care	Don't you shiver
(Oh)	Sing it loud and clear
Did you (6) me to change?	I'll always be waiting for you
Well I changed for good	Yeah, I'll always be waiting for you
And I want you to know	Yeah, I'll always be waiting for you
That you'll always get your way	Yeah, I'll always be waiting for you, for you
I wanted to say	I will always be waiting
Don't you shiver	And it's you I see but you don't see me
Shiver	And it's you I hear so loud and so clear
Sing it loud and clear	I sing it loud and clear
I'll (7) be waiting for you	And I'll always be waiting for you
So you know how much I need you	So I look in your direction
But you (8) even see me, do you?	But you pay me no attention
And is this my (9) chance of getting you	And you know how much I need you
And on and on	But you never even see me
From the moment I wake	
To the moment I sleep
