Fill in the gaps

So I look in your direction	Just you try and stop me
But you pay me no attention, do you?	I'll be (14) in line
I know you don't listen to me	Just to see if you care
'Cause you say you see (1)	If you care
(2) me	(Oh)
Don't you?	Did you want me to change?
And on and on	Well I (15) for good
From the moment I wake	And I want you to know
To the moment I sleep	That you'll always get your way
I'll be there by (3) side	I wanted to say
Just you try and (4) me	Don't you shiver
I'll be waiting in line	Don't you shiver
Just to see if you care	Sing it loud and clear
(Oh)	I'll always be (16) for you
Did you want me to change?	Yeah, I'll (17) be (18) for
Well I changed for good	you
And I (5) you to know	Yeah, I'll (19) be waiting for you
That you'll (6) get (7) way	Yeah, I'll always be (20) for you, for you
I wanted to say	I will always be waiting
Don't you shiver	And it's you I see but you don't see me
Shiver	And it's you I hear so loud and so clear
Sing it (8) and clear	I (21) it loud and clear
I'll always be (9) for you	And I'll (22) be waiting for you
So you know how much I (10) you	So I (23) in your direction
But you (11) even see me, do you?	But you pay me no attention
And is this my final (12) of	And you (24) how (25) I need you
(13) you	But you never even see me
And on and on	
From the moment I wake	
To the moment I sleep
