

Fill in the gaps

Feel For You by Nightwish

You were my first love
The earth moving under me
Bedroom scent, beauty ardent
Distant shiver, heaven sent
I'm the snow on your lips
The (1)_____ taste, the silvery sip
I'm the breath on your hair
Endless nightmare, devil's lair
Only so many times
I can say, I long for you
The lily among the thorns
The (2)_____ among the wolves
Someday, I will feed a snake
Drink her venom, stay awake
With (3)_____ all pain will fade
Through your memory I will wade
Barely (4)_____ in her grave
Barely warm in my bed
Settling for a draw tonight
Puppet girl, your strings are mine
Barely cold in her grave

Barely warm in my bed
Settling for a draw tonight
Puppet girl, (5)_____ strings are mine
This one is for you
For you, only for you
Just give in to it never think again
I feel for you
This one is for you
For you, only for you
Just give in to it never think again
I feel for you
This one is for you
For you, only for you
Just give in to it never (6)_____ again
I (7)_____ for you
