

I'm walking away

Fill in the gaps

	Well I'm so tired baby
I'm walking away	Things you say
From the troubles in my life	You're driving me away
I'm walking away	Whispers in the powder room baby
Oh to find a better day	Don't listen to the (6) they play
I'm walking away (I'm walking away)	Girl I thought you'd realize
From the troubles in my life	I'm not like them (7) guys
I'm walking away	'Cause I saw them with my own eyes
Oh to find a better day	You should have been more wise, and
I'm walking away	I don't wanna live my life
Sometimes	Too many sleepless nights
Some (1) get me wrong	Not mentioning the fights
When it's (2) I've said or done	I'm sorry to say lady
Sometimes you (3) there is no fun	I'm walking away
That's why you (4) and run	Oh I'm walking away
But now I truly realize	(From the troubles in my life)
Some people don't (5) to compromise	From the troubles in my life
Well I saw them with my own eyes	(I'm walking away)
Spreading those lies and	(Oh to find a better day)
Well I don't want to live my life	(I'm walking away)
Too many sleepless nights	I'm (8) away
Not mentioning the fights	(From the troubles in my life)troubles in my life
I'm sorry to say lady	(I'm walking away)
I'm walking away	I'm walking away (oh to find a better day)
From the troubles in my life	(I'm walking away)
I'm walking away	I'm walking away
Oh to find a better day	(From the troubles in my life)
I'm walking away	(I'm (9) away)
From the troubles in my life
