| Listen, listen                               | Listen to the rain                             |
|--|--|
| Listen, listen                               | Weeping  |

| Listen, listen                               | I stand alone in the storm (listen, listen)    |
| Listen, listen                               | Suddenly sweet words (5) form (listen, listen) |
| Listen, listen                               | Hurry, they say, for you haven't much time     |

| Whispering (1) in vain (listen, listen)      | You may (7) you're alone                       |
| Frantically searching for (2) to hear        | But I'm (8) still with you                     |
| Their story (3) they hit ground              | You can do what you dream                      |

| Can't we (4) for a while?                    |  |
| It's just too hard to say goodbye            | Listen   |
| Listen to the rain                           |  |
| Listen, listen, listen, listen               |  |
