How Deep Is Your Love (Cover) by Take That

And when you rise in the (1) sun	'Cause we're (17) in a world of fools
I (2) you touch my hand in the pouring rain	Breaking us down
And the (3) when you wander far from me	When they all (18) let us be
I (4) feel you in my arms again	We (19) to you and me
And you (5) to me on a summer breeze	You're the light, you're my light
Keep you warm in your love, then you (6)	(When I fall) And you may not think
leave	That I care for you
And it's me you (7) to show	When you (20) down inside that I really do
How deep is your love	And it's me you need to show
Is your love, how (8) is your love	How (21) is (22) love
I really need to learn	Is your love, how deep is your love
'Cause we're living in a world of fools	I really (23) to learn
Breaking us down	'Cause we're (24) in a world of fools
When (9) all shoud let us be	They're breaking us down
We belong to you and me	When they all shoud let us be
I (10) in you	We belong to you and me
You know you're the door to my barest soul	How deep is your love
You are the light in my deepest darkest hour	So how deep is your love
And you are my savour when I fall (when I fall)	How deep is your love
And you may not (11) (12) I	How deep is (25) love
(13) for you	So how deep is your love
When you (14) down inside that I really do	How (26) is (27) love
And it's me you (15) to show	
How deep is your love	
Is (16) love, how deep is your love	
I really need to learn
