## How Deep Is Your Love (Cover) by Take That

And when you rise in the morning sun	'Cause we're living in a world of fools	
I feel you touch my hand in the (1) rain	Breaking us down	
And the moment when you (2) far from me	When they all shoud let us be	
I wanna feel you in my arms again	We belong to you and me	
And you come to me on a summer breeze	You're the light, you're my light	
Keep you warm in your love, then you softly leave	(When I fall) And you may not think	
And it's me you need to show	That I care for you	
How (3) is your love	When you know down inside that I (9)	do
Is your love, how deep is your love	And it's me you need to show	
I really need to learn	How deep is your love	
'Cause we're living in a world of fools	Is your love, how deep is your love	
Breaking us down	I really need to learn	
When they all shoud let us be	'Cause we're living in a world of fools	
We belong to you and me	They're (10) us down	
I believe in you	When they all shoud let us be	
You know you're the (4) to my barest soul	We belong to you and me	
You are the (5) in my deepest darkest hour	How deep is your love	
And you are my savour when I fall (when I fall)	So how deep is your love	
And you may not think that I care for you	How deep is your love	
When you know down (6) that I really do	How deep is your love	
And it's me you need to show	So how deep is your love	
How deep is your love	How deep is your love	
Is your love, how deep is (7) love
