

Fill in the gaps

I never (1)	I'd die alone	
I laughed the loudest, who'd	(2)	known?
I traced the cord back to the	wall	
No wonder it was never plug	ged in at all	
I took my time, I hurried up		
The choice was mine, I didn't	t (3)	enough
I'm too depressed to go on		
You'll be (4) wh	nen I'm gone	
I never conquered, rarely car	me	
16 just held such better days		
Days when I still felt alive		
We couldn't wait to get outsid	de	
The world was wide, too late	to try	
The tour was over, we'd surv	ived	
I couldn't wait till I got home		
To pass the time in my room	alone	
I never (5)	I'd die alone	
Another six months I'll be unl	known	
Give all my things to all my fr	riends	
You'll never step foot in my re	oom again	
You'll close it off, board it up		

Remember the (6) that I spilled the cup		
Of apple juice in the hall		
Please (7) mom this is not her fault		
I never conquered, rarely came		
16 just held (8) better days		
Days when I still felt alive		
We couldn't wait to get outside		
The world was wide, too late to try		
The tour was over, we'd survived		
I couldn't wait till I got home		
To pass the time in my room alone		
I never conquered, rarely came		
Tomorrow holds such better days		
Days when I can still feel alive		
When I can't (9) to get outside		
The world is wide, the time is right		
The tour is over, I survived		
I can't wait till I get home		
To pass the time in my room alone
