

Fill in the gaps

I'm a big big girl	If you leave me
In a big big world	But I do do feel
It's not a big big thing	That I do do will
If you (1) me	Miss you much
But I do do feel	Miss you much
That I do do will	I have your (7) (8) me
Miss you much	Warm (9) fire
Miss you much	But when I open my eyes
I can see the first (2) falling	You're gone
It's all yellow and nice	I'm a big big girl
It's so very cold outside	In a big big world
Like the way I'm feeling inside	It's not a big big thing
I'm a big big girl	If you leave me
In a big big world	But I do do feel
It's not a big big thing	That I do do will
If you leave me	Miss you much
But I do do feel	Miss you much
That I do do will	I'm a big big girl
Miss you much	In a big big world
Miss you much	It's not a big big thing
Outside it's now raining	If you leave me
And (3) are falling (4) my eyes	But I do feel
Why did it (5) to happen	l will
Why did it all (6) to end	Miss you much
I'm a big big girl	Miss you much
In a big big world	
It's not a big big thing
