

We dressed up and fought, then thought: "Make amends"

Fill in the gaps

I came across a cache of old photos		And we (4) never holding back
And invitations to (1)	parties	Or worried that
"Dress in white" one (2) (3)	quotations	Time would come to an end
From someone's wife, a famous writer		We were always hoping that
In the nineteen-twenties		Looking back you (5) always rely on a friend
When you're young you find inspiration		Now I sit with different faces
In anyone who's ever gone		In rented rooms and foreign places
And opened up a closing door		All the people I was kissing
She said: "We were never feeling bored"		Some are here and some are missing
'Cause we were never being boring		In the nineteen-nineties
We had too much time to find for ourselves		I (6) dreamt that I would get to be
And we were never being boring		The creature that I always meant to be
We dressed up and fought, then thought: "Make amends"		But I (7) in spite of dreams
And we were never holding back		You'd be sitting somewhere here with me
Or worried that		'Cause we were never being boring
Time would come to an end		We had too much time to find for ourselves
When I went I left from the station		And we were never being boring
With a haversack and some trepidation		We dressed up and fought, then thought: "Make amends"
Someone said: "If you're not careful		And we were (8) holding back
You'll have nothing left and nothing to care for		Or worried that
In the nineteen-seventies"		Time (9) come to an end
But I sat back and looking forward		We were always hoping that
My shoes were high and I had spots		Looking (10) you could always rely on a friend
I'd bolted through a closing door		And we were never being boring
I would never find myself feeling bored		We were never being bored
'Cause we were never being boring		'cause we were never being boring
We had too much time to find for ourselves		We were never being bored
And we were never being bering
