

In the blur of fast forward

Fill in the gaps

Just slow me	I falter again
Slow me down	Forgetting to breathe
Slow me down	I need to sleep
Slow me down	I'm getting nowhere
Rushing and racing and running in circles	All that I've missed I see in the reflection
Moving so fast, I'm forgetting my purpose	Passed me while I wasn't paying attention
Blur of the traffic is (1) me spinning	Tired of rushing, racing and running
Getting nowhere	I'm falling apart
My (2) and my heart are colliding, chaotic	Tell me
Pace of the world, I just wish I could stop it	(Oh) won't you take my hand and (5) me?
Try to appear (3) I've got it together	Slow me down, don't let love pass me by
I'm falling apart	Just show me how 'cause I'm ready to fall
Save me	Slow me down, don't let me (6) a lie
Somebody take my hand and (4) me	Before my life flies by
Slow me down	I need you to slow me down
Don't let love pass me by	Just show me, I need you to slow me down
Just show me how	Slow me down, slow me down
'Cause I'm ready to fall	The noise of the world is getting me caught up
Slow me down	Chasing the (7) and I wish I could stop it
Don't let me live a lie	Just (8) to breathe
Before my life flies by	Somebody please
I need you to slow me down	Slow me down
Sometimes I fear that	
I might disappear
