

Fill in the gaps

If I could (1) the world just one thing		Only kindness matters
It (2) be we're all OK		I (19) get down on my knees
And not to (3) 'cause (4) is	s	And I (20) pray
wasteful		I will get down on my knees
And useless in times (5) these		And I (21) pray
I won't be made useless		I (22) get down on my knees
I won't be idle (6) despair		And I (23) pray
I will (7) myself around my faith		My hands are small, I know but they're
For light does the darkness most fear		Not yours, they are my own but they're
My (8) are small, I (9) but they're		Not yours, they are my own, and
Not yours, (10) are my own but they're		I am never broken
Not yours, they are my own, and		My hands are small, I know but they're
I am (11) broken		Not yours, they are my own but they're
Poverty stole your golden shoes		Not yours, they are my own, and
It didn't steal (12) laughter		I am (24) broken
And heartache came to visit me		We are never broken
But I knew it wasn't ever after		We are God's eyes
We'll fight, not out of spite		God's hands
For (13) must stand up for what's right		God's mind
'Cause (14) there's a man who has no voice		We are God's eyes
There (15) (16) go singing		God's hands
My hands are small, I know but they're		God's heart
Not yours, they are my own but they're		We are God's eyes
Not yours, they are my own, and		We are God's hands
I am (17) broken		We are God's eyes
In the end		
Only (18) matters		
In the end
