(4) pray	Make a change and breakaway
Trying hard to reach out	Out of the darkness and into the sun
But when I try to speak out	But I won't (14) of the (15) that I
Felt like no one could hear me	love
Wanted to belong here	I'll take a risk, take a chance
But something felt so wrong here	Make a change, and breakaway
So I'd pray	Buildings with a hundred floors
could breakaway	Swinging with revolving doors
'll spread my wings and I'll (5) how to fly	Maybe I don't (16) (17) they'll take
'll do what it takes, till I touch the sky	me
gotta make a wish, take a chance	Gotta keep moving, moving on
Make a change, and breakaway	Fly away, breakaway
Out of the darkness and Into the sun	l'II (18) my (19) and l'II learn
But I won't forget of the ones that I love	how to fly
'll (6) a risk, take a chance	Though it's not (20) to tell you goodbye
Make a change and breakaway	I gotta take a risk, take a chance
Wanna feel the warm breeze	Make a change and breakaway
Sleep under a (7) tree	Out of the darkness and into the sun

Get (8) a fast train	come from

	Make a (24) and breakaway
