

## Fill in the gaps

Don't ask me
What you know is true
Don't have to tell you
I love your precious heart
I
I was standing
You were there
Two (1) collided
And they could never tear us apart
We (2) live
We (2) live For a thousand years
For a thousand years
For a thousand years But if I hurt you
For a thousand years But if I hurt you I'd make (3) from your tears
For a thousand years But if I hurt you I'd make (3) from your tears I told you
For a thousand years  But if I hurt you I'd make (3) from your tears I told you  That we could fly

You were there
Two (4) collided
And they could never, ever, tear us apart
I (don't ask me)
I was standing (you know it's true)
You were there (worlds collided)
Two (5) collided (were (6)
through)
And they could never tear us apart
You (don't ask me)
You (7) standing (you know it's true)
I was there (worlds collided)
Two worlds collided (were shining through)
And they could never tear us apart
I
I was standing
You were there
