What doesn't kill you makes you a fighter

Footsteps even lighter

Fill in the gaps

Stronger (What Doesn't Kill You) by Kelly Clarkson

You know the bed feels warmer	Doesn't mean I'm over cause you're gone
Sleeping here alone	What doesn't kill you makes you stronger, stronger
You know I dream in colour	Just me, myself and I
And do the things I want	What doesn't kill you makes you stronger
You think you got the best of me	Stand a little taller
You think you had the (1) laugh	Doesn't mean I'm lonely when I'm alone
Bet you think that everything good is gone	Thanks to you I got a new thing started
Think you (2) me broken down	Thanks to you I'm not the (8) hearted
Think that I'd come running back	Thanks to you I'm finally thinking 'bout me
Baby you don't know me, cause you're dead wrong	You know in the end
What doesn't (3) you makes you stronger	The day you left was just my beginning
Stand a little taller	In the end
Doesn't mean I'm lonely when I'm alone	What doesn't kill you makes you stronger
What doesn't kill you makes you a fighter	Stand a little taller
Footsteps (4) lighter	Doesn't mean I'm lonely when I'm alone
Doesn't mean I'm over cause you're gone	What doesn't kill you makes you a fighter
What doesn't kill you makes you stronger, stronger	Footsteps even lighter
Just me, myself and I	Doesn't mean I'm over (9) you're gone
What doesn't kill you makes you stronger	What doesn't kill you makes you stronger, stronger
Stand a little taller	Just me, myself and I
Doesn't mean I'm lonely when I'm alone	What doesn't kill you makes you stronger
You heard that I was starting (5) with someone	Stand a little taller
new	Doesn't mean I'm lonely when I'm alone
They told you I was moving on, and over you	What doesn't kill you makes you stronger, stronger
You didn't think (6) I'd (7) back	Just me, myself and I
I'd come back swinging	What doesn't kill you makes you stronger
You try to break me but you'll see	Stand a (10) taller
What doesn't kill you makes you stronger	Doesn't mean I'm lonely when I'm alone
