

## Fill in the gaps

As the (1) winds	Yes, my heart told my head
Litter (2) (3) lonely hearts	"This time no, (14) (15) no"
(Oh) the warmth in (4) eyes	(Oh) the shame that sent me off
Swept me into your arms	From the God that I once loved
Was it (5) or (6) of the cold	Was the same (16) sent me (17) you
That led us through the night?	arms
For every kiss	(Oh) and pestilence is won
Your (7) trumped my doubt	When you are (18) and I am gone
And my (8) told my heart	And no hope
"Let love grow"	No hope will overcome
But my heart told my head	But if your strife
"This time no, (9) no"	Strikes at your sleep
We'll be washed and buried	Remember spring swaps (19) for leaves
One day my girl	You'll be happy and wholesome again
And the time we were given	When the city clears and sun (20) (hey)
Will be left for the world	And my head (21) my heart
The (11) that (12) and loved	"Let (22) grow"
Will be eaten by plague	But my heart told my head
So let the memories	"This (23) no"
Be good for those who stay	And my head told my heart
And my head told my heart	"Let love grow"
"Let (13) grow"	But my (24) told my head
But my heart told my head	"This (25) no, this (26) no"
"This time no"
