

## Fill in the gaps

## We Found Love by Rihanna & Calvin Harris

It's like you're screaming	Shine a light (9) an open door
And no one can hear	Love and life I (10) divide
You almost (1) ashamed	Turn away 'cause I need you more
That someone could be (2) important	Feel the (11) in my mind
That without them, you (3) like nothing	It's the way I'm (12) I (13) can't
No one will ever understand how much it hurts	deny
You (4) hopeless	But I've gotta let it go
Like nothing can save you	We found love in a hopeless place
Then when it's over	We found (14) in a hopeless place
And it's gone	We found love in a hopeless place
You almost wish	We (15) in a hopeless place
That you (5) have all that bad stuff back	Yellow (17) in the light
So that you could have the good	And we're (18) side by side
Yellow diamonds in the light	As your shadow (19) mine
And we're standing side by side	We found love in a hopeless place
As your shadow crosses mine	We found love in a hopeless place
What it takes to come alive	We found love in a hopeless place
It's the way I'm (6) I just can't deny	We (20) love in a (21)
But I've gotta let it go	place
We found love in a (7) place	We found love in a (22) place
We found love in a hopeless place	We found love in a (23) place
We found love in a hopeless place	We found (24) in a hopeless place
We found (8) in a hopeless place	We found love in a hopeless place
