

## Fill in the gaps

Not (1) get us
They're not gonna get us
Not gonna get us
Not gonna get us
Starting from here, let's make a promise
You and me, let's just be honest
We're gonna run, nothing can stop us
Even the night that falls all around us
Soon (2) will be laughter and voices
Beyond the clouds over the mountains
We'll run away on (3) that are empty
Lights from the airfield shining upon you
Nothing can stop this, not now I (4) you
They're not gonna get us,
they're not gonna get us
Nothing can stop this, not now I love you
They're not gonna get us,
they're not gonna get us
They're not gonna get us
Not gonna get us
Not gonna get us

We'll run away, keep (5)s	simple
Night will come down, our guardian angel	
We rush ahead, the crossroads are empty	
Our (6) rise, they're not (7)	
get us	
My love for you, always forever	
Just you and me, all (8) is nothing	
Not going back, not going (9) there	
They don't understand,	
They don't understand us	
Not gonna get us	
Not gonna get us	
Nothing can stop this, not now I love you	
They're not gonna get us,	
they're not (10) get us	
Nothing can stop this, not now I love you	
They're not gonna get us,	
they're not gonna get us	
They're not gonna get us	
They're not gonna get us.
