|--|---|
| Can you (1)_____ it, see it, (2)_____ it today?      | It's it...                              |
| If you can't, then it doesn't (3)_____ anyway        | What is it?                             |
| You will never understand it                         | It's it                                 |
| 'Cause it happens too fast                           | What is it?                             |
| And it feels so good, it's (4)_____ walking on glass | It's it                                 |
| It's so cool, it's so hip, it's alright              | What is it?                             |
| It's so groovy, it's outta sight                     | It's it                                 |
| You can touch it, (5)_____ it, taste it so sweet     | What is it?                             |
| But it (6)_____ no difference                        | You want it all but you can't have it   |
| 'Cause it knocks you off your feet                   | Yeah, yeah, yeah                        |
| You want it all but you can't (7)_____ it            | It's in your face but you can't grab it |
| It's cryin', bleedin', (8)_____ on the floor         | It's it                                 |
| So you lay down on it and you do it (9)_____ more    | What is it?                             |
| You've got to share it, so you (10)_____ it          | It's it                                 |
| Then you bare it and you tear it                     | What is it?                             |
| You (11)_____ it all but you can't (12)_____ it      | It's it                                 |
| It's in your (13)_____ but you can't grab it         | What is it?                             |
| It's alive, afraid, a lie, a sin                     | It's it                                 |
| It's magic, it's tragic, it's a loss, it's a win     | Yeah, yeah, yeah                        |
| It's dark, it's moist, it's a (14)_____ pain         | It's it                                 |
| It's sad it happened and it's a shame                | What is it?                             |
| You want it all but you can't have it                | It's it                                 |
| It's in your face but you can't grab it              | What is it?                             |
| What is it?  | It's it                                 |
| It's it  | What is it?                             |
| What is it?  | It's it                                 |
| It's it  | Yeah, yeah, yeah                        |
| What is it?  | It's it                                 |
