

Bang bang

## Fill in the gaps

### Bang Bang (My Baby Shot Me Down) by Nancy Sinatra

| was rive and ne was six         |               | rnat awrui sound                  |         |
|---------------------------------|---------------|-----------------------------------|---------|
| We (1) on horses made of sticks |               | Bang bang                         |         |
| He wore (2) and I wore white    |               | I (11) to (12) you down           |         |
| He (3)(4)                       | win the fight | Music (13) and (14)               | sang    |
| Bang bang                       |               | Just for me the church bells rang |         |
| He (5) me down                  |               | Now he's (15) I (16)              | (17)    |
| Bang bang                       |               | why                               |         |
| hit the ground                  |               | Until this day, (18)              | _ I cry |
| Bang bang                       |               | He didn't (19) say goodbye        |         |
| That (6) sound                  |               | He didn't (20) the time to lie    |         |
| Bang bang                       |               | Bang bang                         |         |
| My baby shot me down            |               | He shot me down                   |         |
| Seasons came and (7)            | the time      | Bang bang                         |         |
| When I grew up I (8)            | him mine      | I hit the ground                  |         |
| He would always (9)             | _ and say     | Bang bang                         |         |
| Remember when we (10)           | to play       | That awful sound                  |         |
| Bang bang                       |               | Bang bang                         |         |
| shot you down                   |               | My (21) shot me down              |         |
| Bang bang                       |               | Baby (22) me down                 |         |
| You hit the ground              |               |                                   |         |
