### Fill in the gaps

#### Church On Sunday (Live) by Green Day

Today is the first day of the rest	Making (12) mascara bleed
Of our lives	Tears (13) your face
Tomorrow is too late to pretend	Leaving traces of my mistakes
Everything's all (1) now	When I say
I'm not getting any younger as long	If I (14) to go to church on Sunday
As you don't get any older	Will you go with me on Friday night?
I'm not going to state that yesterday (2) was	If you live (15) me, I'll die for you
Bloodshot deadbeat and a lack of sleep	And this compromise
Making (3) mascara bleed	If I promise to go to church on Sunday
Tears down your face	Will you go (16) me on Friday night?
Leaving traces of my mistakes	If you live with me, I'll die for you
When I say	And (17) compromise
If I (4) to go to church on Sunday	
Will you go with me on Friday night?	If I promise to go to (18) on Sunday
If you live with me, I'll die for you	Will you go with me on (19) night?
And (5) compromise	If you live (20) me, I'll die for you
I (6) solemnly swear to tell	And this compromise
The whole truth	If I (21) to go to (22) o
And nothing but the truth is what	Sunday
I'll ever hear from you	Will you go (23) me on Friday night?
"Trust" is a (7) word (8) comes	If you (24) (25) me, I'll die for you
Only (9) a liar	And (26) compromise
But "respect" is something I will earn	And (27) compromise
If you have faith	I said, compromise
Bloodshot (11) and a lack of sleep
