Bloodshot deadbeat and a lack of sleep

Fill in the gaps

Church On Sunday (Live) by Green Day

Today is the first day of the rest	Making your mascara bleed
Of our lives	Tears down your face
Tomorrow is too late to pretend	Leaving (5) of my mistakes
Everything's all right now	When I say
I'm not (1) any younger as long	If I promise to go to church on Sunday
As you don't get any older	Will you go with me on Friday night?
I'm not going to state that yesterday never was	If you live with me, I'll die for you
Bloodshot deadbeat and a (2) of sleep	And this compromise
Making your mascara bleed	If I promise to go to church on Sunday
Tears down your face	Will you go with me on Friday night?
Leaving traces of my mistakes	If you live with me, I'll die for you
When I say	And this compromise
If I (3) to go to church on Sunday	
Will you go with me on Friday night?	If I (6) to go to church on Sunday
If you live with me, I'll die for you	Will you go (7) me on Friday night?
And this compromise	If you live with me, I'll die for you
I hereby (4) swear to tell	And this compromise
The whole truth	If I promise to go to (8) on Sunday
And nothing but the truth is what	Will you go (9) me on Friday night?
I'll ever hear from you	If you (10) with me, I'll die for you
"Trust" is a dirty word that comes	And this compromise
Only from such a liar	And this compromise
But "respect" is something I will earn	I said, compromise
