How Am I Supposed To Live Without You by Michael Bolton

I could hardly believe it when I heard the news today	Now that I've been lovin' you so long
I had to come and get it straight from you	How am I supposed to live without you
They said you were leaving, someone swept your heart away	And how am I supposed to carry on
From the look upon your face, I see it's true	When all that I've been livin' for is gone
So tell me all about it	And I don't wanna know the price
Tell me 'bout the plans you're makin'	I'm gonna pay for dreamin'
Tell me one thing more (1) I go	Now (8) your dream has come true
Tell me how am I supposed to (2) without you	Tell me how am I supposed to live without you
Now that I've been lovin' you so long	Now that I've been loving you so long
How am I supposed to live without you	How am I supposed to live without you
And how am I supposed to carry on	And how am I supposed to carry on
When all that I've been livin' for is gone	When all that I've been livin' for is gone
Didn't come here for cryin', didn't come here to break down	Gone without you
It's just a dream of mine is comin' to an end	Now that I've (9) lovin' you so long
How can I (3) you (4) I built my world	How am I supposed to live without you
around	And how am I supposed to carry on
The hope that one day, we'd be so much (5)	When all that I've been livin' for is gone
(6) friends	
And I don't wanna know the price	
I'm gonna pay for dreamin'	
Even now, it's more than I can take	
Tell me how am I (7) to live without you
