Should've Known Better (Live) by Soluna Samay

Should've known better	She said
Now I miss you	
Like Sahara misses rain	We could've (5) words on a mountain high
Changing like the weather	Reminding ourselves to keep climbing, right
Maybe it's true	Sometimes we have to lose
Maybe you're not gonna change	A part of us to find the truth
I feel like you have two homes	Nothing more beautiful than the way
Yet I feel you are homeless	You used to breathe me into your lungs and soul
Where we live I feel (1) a stranger	Sometimes we have to say
When you home I feel even stranger	I'm sorry I can't stay
I live in no man's land	Should've known better
With no way home like you don't understand	Now I miss you
Cuz you so here, you so there, not (2)	Like Sahara misses rain
anywhere	Changing like the weather
She said	Maybe it's true
Should've known better	Maybe it's true
Now I miss you	Should've known better
Like Sahara misses rain	Now I miss you
Changing like the weather	Like Sahara misses rain
Maybe it's true	Changing (6) the weather
Maybe you're not gonna change	Maybe it's true
Feels (3) I'm always	Maybe we're not gonna change
Living out of my suitcase	Should've known better
What about all the years in between	Should've (7) better
Just trying to (4) my place	(Thank you)
I live in no man's land	
With no way home like you don't understand	
Cuz you so here, you so there not really anywhere
