

## Fill in the gaps

Someone (1) to pieces	To be (11) is all (12) you can
Sleeping all alone	do
Someone (2) the pain	(All that you can do, hey)
Spinning in the silence	To be yourself is all (13) you can do
She (3) drifts away	Even when you've (14) enough
Someone gets (4) in a chapel yard	Been put (15) or been held up
Catches a boquet	With (16) single memory of
Another (5) a dozen	The good or bad, (17) of luck
White (6) on a grave	Don't lose any sleep tonight
(Yeah)	I'm sure (18) will end up alright
And to be (7) is all that you can do	You may win or lose
(Hey)	But to be yourself is all (19) you can do
To be (8) is all that you can do	(Yeah)
Someone finds salvation in everyone	To be yourself is all that you can do
Another only pain	(Oh)
Someone tries to (9) himself	To be yourself is all that you can do
Down inside himself he prays	(All that you can do, hey)
Someone swears his true love until the end of time	To be yourself is all that you can do
Another (10) away	(All (20) you can do)
Separate or united?	To be yourself is all that you can
Healthy or insane?	Be (21) is all that you can
And to be yourself is all that you can do	Be yourself
(All that you can do)	Is all that you can do
To be yourself is all that you can do	
(All that you can do)
