

Cast aside

Fill in the gaps

You and I	To an endless (6)	we recess	
Holding tight	For what (7)	we will hide	
You and I	Maybe we can make it through this		
Gotta fight	Is it fair,		
You and I	To run away,		
Side by side	Is it (8) to belive this, we're victimized		
You and I	For a life we didn't ask for		
Sanctified	No truths to confirm		
You and I	No lies to deny	No lies to deny	
Feels so right	Too hopeless to care,		
You and I	we're too scared to cry		
Holding tight	You and I		
You and I	Holding tight		
Side by side	You and I		
You and I	Gotta fight		
For the (1) of our lives	You and I		
Every night	Side by side		
We're all (2) every night	You and I		
My only (3) is a light	Sanctified		
That's shining from inside you	You and I		
Cause we believe	Feels so right		
In what we are you believe	You and I		
In what we'll be in (4) dream	Holding tight		
So I can stand beside you	You and I		
No truths to confirm	Side by side		
No (5) to deny	You and I		
Too hopeless to care,	For the rest of our lives		
We're too scared to cry	You and I		
You and I	Holding tight		
Holding tight	You and I		
You and I	Gotta fight		
Gotta fight	You and I		
You and I	Side by side		
Side by side	You and I		
You and I	Sanctified		
Sanctified	You and I		
You and I	Feels so right		
Feels so right	You and I		
You and I	Holding tight		
Holding tight	You and I		
You and I	Side by side		
Side by side	You and I		
You and I	For the rest of our lives		
For the rest of our lives
