

Or do you only see what you want to believe?

Fill in the gaps

Every second is a lifetime	Does it feel better than love?
And every minute more brings you closer to God	Does it feel better (6) love?
And you see nothing but the red lights	Turn away, turn away, close your eyes, you can runaway
You let your body burn (1) (2) before	It's not enough
And it feels better than love	I see the lights through the rain
Yeah it feels (3) (4) love	(Oh) tonight
Every second is a lifetime	But they never change
And every minute more brings you closer to God	So what is love?
And you see nothing but the red lights	Does it feel better than love?
You let your body burn like never before	Does it feel better than love?
And it feels better than love	Turn away, turn away, close (7) eyes, you can
Yeah it feels better than love	runaway
Turn away, turn away, close (5) eyes, you can	It's not enough
runaway	I see the lights through the rain
It's not enough	(Oh) tonight
Another second in the sunshine	But they (8) change
A decade in the dark taking part in a dream	So (9) is love?
Have you forgotten what she looks like?	

- 1. like
- 2. never
- 3. better
- 4. than
- 5. your
- 6. than
- 7. your
