

## Fill in the gaps

### Funny Little Word by Alexander Rybak

Suddenly I'm famous	Whatever life will bring
And people know my name	And people have to bear with you
I've got a thousand girls just waiting	This (14) song I sing
And therefore it's a shame	Your (15) (16) be
That my heart has been captured	angry
By (1) funny (2) smile	My girlfriends might be blue
And finally I'm happy	But no one can deny it
If only for a while	From now on I love you
People (3) me stupid	And I have to say it's new to me
For treating you like a queen	This feeling in my heart
But I don't even worry	Guess I've been (17) of lonely
'Cause you're my unforeseen	And you've been kind of smart
And I hope (4) you'll be (5) me	And I don't know for sure
If only in my dreams	Where this is going
But here you are next to me	Still I (18) for (19) and more
And you're glad or so it seems	'Cause who would know that you
And I don't know for sure	Would treat me like a boy
Where this is going	And I treat you (20) a girl
Still I (6) for (7) and more	In this funny little world
'Cause who (8) know that you	And I don't (21) for sure
Would (9) me like a boy	Where this is going
And I (10) you (11) a girl	Still I hope for (22) and more
In this (12) little world	'Cause who would know that you
Don't promise me forever	Would (23) me (24) a boy
Just (13) me day by day	And I treat you like a girl
No one knows the future	In this (25) little world
We're young but that's okay	This (26) (27) world
'Cause you'll always be a part of me
