

Fill in the gaps

Explosions by Ellie Goulding

You (1)_____ like you'd seen a ghost
And I gave in
I lack the (2)_____ you need the most, you said
Where have you been
You wasted all that (3)_____ to run and hide
I wonder why
I remind you of the (4)_____ you poured your heart into
But you never tried
I've fallen from grace, took a blow to my face
I've loved and I've lost, I've loved and I've lost
Explosions
On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
It will never be the same
You left my soul bleeding in the dark
So you could be king
The rules you set are still untold to me and I've
Lost my faith in everything
The (5)_____ you (6)_____ cope
Your intentions were gold
But the mountains (7)_____ shake
I need to know I can still make explosions

On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
And as the floods move in
And your body (8)_____ to sink
I was the last thing on your mind
I know you better than you think
'Cause it's simple, darling
I (9)_____ you a warning
Now everything you own
Is (10)_____ from the sky in pieces
So watch them fall with you in slow motion
I pray that you'll find peace of mind
And I'll find you another time
I'll love you, another time
Explosions
On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same

Fill in the gaps

Answer

1. trembled
