Explosions by Ellie Goulding

You trembled like you'd seen a ghost
And I (1)_____ in
I lack the (2)_____ you need the most, you said
Where have you been
You wasted all (3)_____ sweetness to run and hide
I wonder why
I remind you of the (4)_____ you poured your
(5)_____ into
But you never tried
I've (6)_____ from grace, took a blow to my face
I've loved and I've lost, I've loved and I've lost
Explosions
On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
It (7)_____ never be the same
You left my soul bleeding in the dark
So you could be king
The rules you set are still untold to me and I've
Lost my faith in everything
The nights you could cope
Your intentions were gold
But the mountains will shake
I need to (8)_____ I can still make explosions

On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
And as the floods move in
And your body starts to sink
I was the last thing on your mind
I know you better than you think
'Cause it's simple, darling
I gave you a warning
Now everything you own
Is falling from the sky in pieces
So watch them fall with you in slow motion
I pray that you'll find peace of mind
And I'll find you another time
I'll love you, another time
Explosions
On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it (9)_____ never be the same
