

## Fill in the gaps

### Explosions by Ellie Goulding

You trembled like you'd seen a ghost  
And I gave in  
I lack the things you need the most, you said  
Where have you been  
You wasted all that sweetness to run and hide  
I wonder why  
I remind you of the days you poured your (1) \_\_\_\_\_  
into  
But you never tried  
I've fallen from grace, took a blow to my face  
I've loved and I've lost, I've loved and I've lost  
Explosions  
On the day you wake up needing somebody  
And you've learned  
It's okay to be afraid  
But it will never be the same  
It will never be the same  
You left my soul bleeding in the dark  
So you could be king  
The rules you set are still untold to me and I've  
Lost my (2) \_\_\_\_\_ in everything  
The nights you could cope  
Your intentions were gold  
But the (3) \_\_\_\_\_ will shake  
I need to (4) \_\_\_\_\_ I can still make explosions

On the day you wake up needing somebody  
And you've learned  
It's okay to be afraid  
But it will (5) \_\_\_\_\_ be the same  
And as the (6) \_\_\_\_\_ move in  
And your body starts to sink  
I was the (7) \_\_\_\_\_ thing on your mind  
I know you better (8) \_\_\_\_\_ you think  
'Cause it's simple, darling  
I gave you a warning  
Now everything you own  
Is falling from the sky in pieces  
So watch them fall with you in (9) \_\_\_\_\_ motion  
I pray that you'll find peace of mind  
And I'll find you another time  
I'll love you, another time  
Explosions  
On the day you wake up needing somebody  
And you've learned  
It's okay to be afraid  
But it will never be the same

Answer

1. heart
2. faith
3. mountains
4. know
5. never
6. floods
7. last
8. than
9. slow
